#### Comments:

287 missions with the 90th TFS, Bien Hoa, 1967  
102 missions with Misty, NVN/Laos, 1969-70  
572 Total F-100 combat missions  
Never had an Air Force job that didn't involve flying of some kind!  
(Even if I don't talk about the C-131 very much?)  
I actually know John Egan!
